Russian Olive
Golden Ninebark
Tamarix

Fruiting Shrubs and Small Trees that Attract Birds

Pages 3-8

There are a number of plants which produce edible seeds and fruit attractive to birds. Following are the most important and ornamental.

Barberry
Cotoneaster
Dogwood
Highbush Cranberry
Arrowwood

Euonymus
Honeysuckle
Snowberry
Russian Olive
Mountain Ash

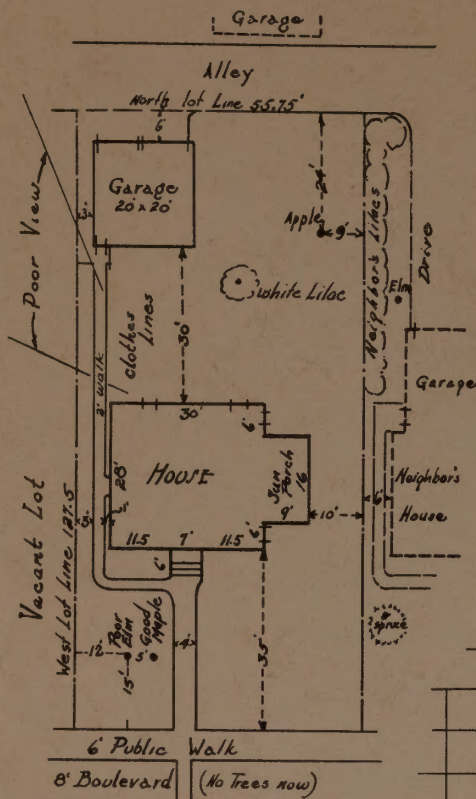

We Invite You to Park Nursery—1200 St. Clair Ave., St. Paul

YOU CAN DO IT YOURSELF.

LET PARK NURSERIES HELP YOU PLAN

THAT'S PART OF OUR SERVICE.

Make full use of our experienced designers. Send us a sketch, measurements and if possible a photo of your house and grounds. For the average city lot send us the information as indicated on the adjoining plan. Show the size of grounds or that part of the grounds you are planning to improve and plant, location of drive, walks, house, garage, trees and present plantings. This information will enable us to furnish you with a detailed planting plan. This cross-section page is to be used for making survey. Scale—one square equaling a definite unit of measure.

EXAMPLE OF SURVEY

SHRUBS

Much of the beauty and charm in landscape planting comes from the use of flowering shrubs. Their delicate coloring, fragrance and profusion of bloom entitles them to an important place in your home yard.

Flowering Almond

Double Flowering Almond (*Amygdalus rosea*). 4 to 5 ft. A symmetrical upright shrub with a striking display of pink, rose-like flowers along the branches in early spring. One of the earliest shrubs to bloom. A white-flowering variety is also offered.

3 to 4 ft. \$2.25

Aronia (Chokeberry)

Aronia arbutifolia brilliantissima. 10 ft. A native shrub with white flowers in May, followed by red fruits.

2 to 3 ft. \$2.50

Buckthorn

Buckthorn (*Rhamnus cathartica*). 8 to 10 ft. Very dependable dense growing shrub with lustrous leaves and black berries. A twiggy growth that permits of trimming to any desired form or outline.

3 to 4 ft. \$1.75

Beauty Bush

Beauty Bush (*Kolwitzia amabilis*). 6 ft. Early blooming shrub, May-June covered with pink blossoms.

2 to 3 ft. \$2.75

Please Note: The figures following the shrub name show the approximate height of growth.

Barberry

Green Barberry (*Berberis thunbergii*). 2½ ft. The most popular hardy dwarf shrub with low, spreading growth to form a dense bush. Red berries, brilliant fall foliage color. Grows most anywhere—in partial shade, sunny moist or dry places. (For hedges please see page 7.)

15 to 18 in. \$1.30 18 to 24 in. \$1.55
24 to 30 in. \$1.85

Barberry—Thornless

Thornless form of Green Barberry.

18 to 24 in. \$1.75

The New Red-Leaved Barberry

Red-Leaved Barberry. 2½ ft. Similar in growth to the Japanese Barberry but has rich, bronze-red leaves that hold their red color all summer. A bright contrast to other shrubs. Plant in full sun for best leaf color. One of the best of the newer plants.

15 to 18 in. \$1.55 18 to 24 in. \$2.00

Crimson Pygmy Barberry

Dwarf form of red Barberry. Brilliant red. Needs full sunshine. 10 to 12 in.

6 to 9 in. \$1.75

A Gift Certificate from Park Nurseries

To a friend for Christmas, Easter, Mother's Day and Birthdays. A living Tree, Evergreen, Shrub, Rose or Perennials will bring exciting and lasting joy.

Come to Park Nursery to Select Your Shrubs, St. Clair Ave., St. Paul 3

Caragana

Siberian Pea Tree (*Caragana arborescens*). 8 ft. A tall shrub of upright growth with bright green pea-like leaves. Yellow flowers in May followed by ornamental seed pods. Stands poor soils and dry locations.

2 to 3 ft. \$1.00 3 to 4 ft. \$1.25

Coralberry

Coralberry (*Symphoricarpos vulgaris*). 3 to 4 ft. A medium height graceful, native shrub that grows well in sun or shade. Red berries cluster the ends of the branches in late summer.

2 to 3 ft. \$1.25 3 to 4 ft. \$1.50

Cotoneaster

Cotoneaster acutifolia. QUINCE BERRY. 6 ft. A neat, clean shrub with dark, glossy green leaves. A dense-growing and highly ornamental bush all season with a striking, bright yellow fall coloration.

18 to 24 in. ... \$1.25 2 to 3 ft. \$1.60
3 to 4 ft. \$2.00

Cotoneaster divaricata (Spreading Cotoneaster). An outstanding shrub, arching type of growth, abundance of red fruits.

2 to 3 ft. \$3.00

Currants (Ornamental)

Alpine Currant (*Ribes alpinum*). 4 ft. Excellent, dense-growing, very hardy ornamental shrub. Stands shearing and will grow in shade. Probably the most generally useful of all the dwarf shrubs.

15 to 18 in. ... \$1.50 18 to 24 in. \$2.00
24 to 30 in. \$2.50

Yellow-Flowering Currant (*Ribes aureum*). 6 ft. A substantial spreading bush with large, yellow, fragrant flowers in spring. Stands shade. A very popular old-fashioned shrub.

2 to 3 ft. \$2.00 3 to 4 ft. ... \$2.25

Dogwood (Cornus)

Golden Dogwood (*Cornus siberica aurea*). 6 ft. Highly valued for its bright yellow branches in fall and winter and particularly attractive when planted near the red-barked variety. White flowers.

2 to 3 ft. \$1.55 3 to 4 ft. \$2.00

Red-Twigg Dogwood (*Cornus siberica*). 6 ft. A hardy, vigorous bush with bright coral-red branches which make the sturdy shrub attractive in all seasons. Strong and erect in growth.

2 to 3 ft. \$1.55 3 to 4 ft. \$2.00

Variegated Dogwood (*Cornus elegantissima*). 6 ft. The green leaves are striped and margined with white. Red colored bark. An unusual plant making a bright spot of color in the shrub group.

2 to 3 ft. \$2.75 3 to 4 ft. \$3.50

Pagoda Dogwood (*Cornus alternifolia*). 20 ft. Shrub or small tree with branches arranged in irregular flat tiers.

3 to 4 ft. B. & B. \$11.00

Elderberry (Sambucus)

Cut-Leaved Elder (*Sambucus nigra laciniata*). 6 ft. Lacy, fern-like leaves that make a pleasing contrast with other shrubs. The branches are spreading and gracefully drooping.

3 to 4 ft. . . . \$2.00

Golden Elder (*Sambucus aurea*). 7 ft. A handsome wide-spreading shrub with bright yellow leaves all season. It shows its brightest color when planted in a sunny spot.

3 to 4 ft. . . . \$2.00

Red-Berried Elder (*Sambucus racemosa*). 7 ft. Big clusters of bright red berries in July. A large native shrub of spreading growth.

3 to 4 ft. . . . \$2.00

Euonymus (Strawberry Bush)

Euonymus Alatus. WINGED STRAWBERRY BUSH. 6 to 8 ft. The bark on its horizontally-growing branches has a curious winged development. The leaves are clean and lustrous and have a brilliant fall color. Rose colored berries in fall.

18 to 24 in. . . . \$4.00

2 to 3 feet \$6.00 3 to 4 ft. . . . \$8.00

3 to 4 ft. B. & B. . . . \$18.00

Euonymus Alatus Compacta. Dwarf Winged Euonymus. 5 ft. A very choice dwarf compact form of Alatus. Will thrive in shade.

18 to 24 in. . . . \$4.50 2 to 3 ft. . . . \$6.00

Euonymus Europaeus. STRAWBERRY BUSH. 8 ft. An admirable hardy shrub with upright, slender, green branches; neat foliage and pink colored fruits. Bright fall foliage color.

3 to 4 ft. . . . \$2.25

Euonymus nanus turkestanicus. 3 to 5 ft. Fine textured foliage, nearly evergreen, pink fruit.

18 to 24 in. . . . \$2.50

Golden Bell (Forsythia)

Forsythia. GOLDEN BELL. 5 ft. A graceful, drooping shrub with golden, bell-shaped flowers in spring. Needs winter protection in Minnesota.

3 to 4 ft. . . . \$2.25

The Honeysuckles (Lonicera)

Pink Honeysuckle (*Lonicera tatarica rosea*). The popular pink to rose flowering Honeysuckle bush. Bright red berries follow the blossoms. Very hardy, rapid-growing shrub that thrives well in sun or partial shade.

2 to 3 ft. . . . \$1.50 3 to 4 ft. . . . \$1.75

4 to 5 ft. . . . \$2.25

Morrow's Honeysuckle (*Lonicera Morrowi*). 5 to 6 ft.

Compact yet spreading growth with gracefully curved branches. Cream-yellow flowers cover the stems in May followed by red berries in July.

2 to 3 ft. . . . \$1.40 3 to 4 ft. . . . \$1.75

4 to 5 ft. . . . \$2.25

Red Honeysuckle (*Lonicera Zabeli*). 8 ft. A new true red flowering shrub. Upright in growth, branches slender and graceful. Blooms profusely.

2 to 3 ft. . . . \$1.50

3 to 4 ft. . . . \$1.75 4 to 5 ft. . . . \$2.25

Dwarf Honeysuckle. (*Lonicera Nana Claveyi*). 3 ft. A dwarf form of bush honeysuckle, very ornamental for a dwarf shrub.

15 to 18 in. . . \$1.35 18 to 24 in. . . \$1.75

The Mockoranges (Syringa)

Frosty Morn—Dwarf Mockorange. 3 ft. patented. A new dwarf Mockorange, blooms are very durable, pure white, very fragrant. June and early July.

18 to 24 in. . . \$2.10 24 to 36 in. . . \$2.60

Golden Mockorange. (*Philadelphus aureus*). 3 ft. Striking golden yellow foliage. Growth low and compact, flower clusters white. Used as an accent in shrub borders.

15 to 18 in. . . \$2.50 18 to 24 in. . . \$3.25

24 to 30 in. . . 4.25 30 to 36 in. . . 5.00

Lemoine's Mockorange (*Philadelphus Lemoinei*). 5 ft. A hardy, erect fine-leaved shrub. Its slender branches bear an abundance of fragrant white flowers in June. Particularly desirable in house foundation plantings.

3 to 4 ft. . . . \$2.00

Sweet Mockorange (*Philadelphus coronarius*). 8 ft. A popular old-time favorite. Big, pure-white and delightfully fragrant flowers in June that give the plant its name. A splendid ornamental and hardy tall shrub.

2 to 3 ft. . . \$1.50 3 to 4 ft. . . \$2.00

4 to 5 ft. . . . \$2.50

Double-Flowering (Virginal) Mockorange. 4 to 5 ft. Magnificent new variety with large, creamy-white and fragrant double flowers. Full bloom in spring followed by occasional flowers all season. Excellent foliage and a shrub that always attracts attention.

2 to 3 ft. . . . \$2.00 3 to 4 ft. . . . \$2.50

4 to 5 ft. . . . \$3.00

Double - Flowering (Snowflake) Mockorange. Pat. 538. 6 ft. First offering of this new outstanding shrub. Double flowering, sweet scented and a profuse bloomer. Shrub exceptionally hardy, gracefully branched, foliage dense.

3 to 4 ft. . . . \$2.25

Phone Your Order Call MI 8-5557

The Hydrangeas

Hydrangea, Large Flowering (*H. paniculata grandiflora*). 4 ft. Magnificent, conical flowers of white that have a pink color in fall and are often cut for winter house decoration. The largest and most handsome flowers of all hardy shrubs.
18 to 24 in. \$1.75 2 to 3 ft. \$2.25

Hydrangea Snowhill (*H. arborescens grandiflora*). 3½ ft. Large white snowball-like flowers from June to frost. A pleasing bush in every way with large leaves and spreading growth. Likes partial shade. Always admired in house-foundation plantings.
18 to 24 in. \$1.75 2 to 3 ft. \$2.25

The Ninebarks (Physocarpus)

Dwarf Ninebark (*Physocarpus monogynus*). 3½ ft. A desirable addition to the list of hardy, dwarf shrubs. Native of Colorado. Makes a full bush of upright growth with small leaves. Bears white flowers in spring. Grows well in most any soil.
2 to 3 ft. \$1.50 3 to 4 ft. \$2.00

Golden Ninebark (*Physocarpus aureus*). 6 ft. A full-branched bushy, golden-leaved shrub. Makes a pleasing color contrast in shrub groups.
2 to 3 ft. \$1.75 3 to 4 ft. \$2.25

Tall Ninebark (*Physocarpus opulifolius*). 7 ft. A vigorous, large-leaved shrub that is excellent for use as a screen or background planting. The white flowers of spring are followed by red seed pods.
2 to 3 ft. \$1.75 3 to 4 ft. \$2.25

Snowberry (Symphoricarpus)

White Snowberry (*Symphoricarpus racemosus*). 4 ft. Slender, graceful shrub with large waxy white berries in September that remain far into the winter. Splendid for planting in front of larger shrubs and under trees.
2 to 3 ft. \$1.50 3 to 4 ft. \$1.75

The Plums—Ornamental Varieties

Pink-Flowering Plums (*Prunus triloba*). 5 ft. A great attraction in early Spring when the branches carry clusters of large, double pink rose-like flowers. Similar to the Flowering Almond but a more desirable and hardier shrub.
2 to 3 ft. \$2.50 3 to 4 ft. \$3.50
4 to 5 ft. \$4.00

Purple-Leaf Plum (*Prunus Cistena*) 6 ft. An outstanding shrub. Dark reddish purple foliage with red leaves at end of branches. Flowers small, color dark pink. Use as accent plant.
2 to 3 ft. \$3.00 3 to 4 ft. \$4.00
4 to 5 ft. \$5.00

Purple-Leaf Plum (Newport) 10 ft. A shrub of substantial size that has dark, purple-colored leaves all summer. Makes a striking color contrast in shrub plantings or as a lawn specimen.
2 to 3 ft. \$2.50 3 to 4 ft. \$3.50
4 to 5 ft. \$4.00

Potentilla

Potentilla Gold Drop. 2½ ft. A choice shrub for foreground planting. Symmetrical little bushes with dense small deeply cut leaves and bright golden yellow flowers like strawberry blossoms from June to September.
18 to 24 in. \$2.50

Potentilla Rosacea. White flowered form.
18 to 24 in. \$2.50

The Spiraeas

Blue Spiraea. Caryopteris Incana. (New) A charming low growing shrub, flowers real blue, height 24 to 30 inches. Blooms from July 15th up to frost. Foliage slightly toothed, silvery green in color. This shrub is used as a border plant, example—plant in front of Bridal Wreath. Makes a good filler shrub in a flower border.
12 to 18 in. \$1.00

Bridal Wreath, (*Spiraea Van Houttei*). 5½ ft. Most admired of all shrubs. A graceful bush with arching branches that is a snowbank of flowers in late May. Grows well in most any situation.
2 to 3 ft. \$1.30 3 to 4 ft. \$1.65
4 to 5 ft. \$2.00

Crimson Spiraea (*S. Anthony Waterer*). 2 ft. A free-flowering dwarf shrub of compact form. Rosy-crimson flowers in flat-top clusters all summer. A pleasing color combination planted with Snowhill Hydrangea.
15 to 18 in. \$1.40 18 to 24 in. \$1.80

Double Bridal Wreath (*Spiraea prunifolia fl. pl.*). Double white blossoms, foliage glossy green in summer, reddish purple in fall.
2 to 3 ft. \$2.00

Garland Spiraea (*S. Arguta*). A cloud of dainty white blossoms in May. Graceful and attractive all season with long light-green leaves.
2 to 3 ft. \$1.75 3 to 4 ft. \$2.25

Pink Summer Spiraea (*S. Billardi*). 5 ft. Spikes of pink flowers at the end of the stems in July and August. Blooms when other shrubs are out of flower.
2 to 3 ft. \$1.40 3 to 4 ft. \$1.80

Plume Spiraea (*S. Sorbifolia*). 4 ft. Leaves resemble a Mountain Ash. Flowers are in plummy spikes of white in July.
2 to 3 ft. \$1.50 3 to 4 ft. \$2.00

Snow Garland (*S. Thunbergi*). 3 ft. Light, feathery leaves on slender branches that are mass of white blossoms in early spring. A refined appearance all summer.
18 to 24 in. \$1.25 2 to 3 ft. \$1.75

Park Nurseries Wants To Help You With Your Landscape Design — Call MI 8-5557

Russian Olive (Oleaster)

Russian Olive (*Elaeagnus angustifolia*). 12 ft. A hardy tall shrub with willow-like leaves of rich silvery white. Suited for background plantings and very hardy. Yellow fruits follow the inconspicuous flowers of spring.

3 to 4 ft. \$2.00 4 to 5 ft. \$3.00

Buffalo Berry

Buffalo Berry (*Shepherdia argentea*). Thorny, leaves silvery on both sides.

2 to 3 ft. \$1.75

The Sumacs (Rhus)

Fragrant Sumac (*Rhus aromatica*). 3 ft. Excellent, medium height hardy shrub. Three-parted, fragrant leaves and bright autumn color. Stands shade.

18 to 24 in. \$1.50

Cut Leaf Sumac (*Rhus laciniata*). Leaflets cut and variegated.

2 to 3 ft. \$1.75

Staghorn Sumac (*Rhus typhina*). Large leaves.

3 to 4 ft. \$1.75

Tamarix

Tamarix Pentandra. SUMMER TAMARIX. 7 ft. A striking plant with feathery leaves and open clusters of pink flowers at the end of the branches in June and July. Useful in bouquets. The foliage is unlike any other shrub and makes a striking picture.

3 to 4 ft. \$2.00

Tatarian Maple—for Fall Color

Tatarian Maple (*Acer tataricum* Ginnala). 15 ft. A very hardy, shrub-like tree for lawn specimen or with tall shrubs in the border. Fall coloring a bright red.

3 to 4 ft., bushy ... \$3.00 4 to 5 ft., bushy ... \$4.00

A Gift Certificate from Park Nurseries

To a friend for Christmas, Easter, Mother's Day and Birthdays. A living Tree, Evergreen, Shrub, Rose or Perennials will bring exciting and lasting joy.

The Weigelas

(Weigelas need favorable and protected positions—not recommended for planting north of the Twin-Cities.)

Weigela Rosea. 5 ft. Well rounded bush that has a profusion of bright pink bell-shaped flowers in late June.

2 to 3 ft. \$2.00

Weigela Vannecki. 4 ft. Well covered with crimson trumpet-shaped flowers in July. Very free blooming.

2 to 3 ft. \$2.00

The Viburnums

Viburnums are hardy, full shaped bushes. Very ornamental in foliage and fruit.

Arrow-Wood (*Viburnum dentatum*). 8 ft. An upright bush with glossy green leaves. The flat clusters of creamy-white flowers in June are followed by ornamental black berries. A tall shrub, handsome in every way.

2 to 3 ft. \$2.00 3 to 4 ft. \$3.00

Black Haw (*Viburnum prunifolium*). 8-10 ft. Foliage finely toothed, blossoms white. Black fruits.

2 to 3 ft. B & B \$9.00

Dwarf Highbush Cranberry (*Viburnum opulus nana*). 2 ft. A very dwarf form of Highbush Cranberry. Excellent low shrub.

9 to 12 in. \$2.50

Highbush Cranberry (*Viburnum opulus*). 8 ft. Named for its big clusters of edible red berries that follow the flat-topped white flowers. A full, handsome shrub with brilliant fall foliage color.

2 to 3 ft. \$2.00 3 to 4 ft. \$3.00

4 to 5 ft. \$4.00

Snowball (*Viburnum opulus sterile*). 8 ft. The popular, familiar "snowball" bush with white flowers in June.

2 to 3 ft. \$2.00 3 to 4 ft. \$3.00

Wayfaring-Tree (*Viburnum lantana*). 9 ft. Unusual, leathery, dark green, crinkled leaves. Red berries that ripen to black follow the white flowers. An excellent, tall, full border shrub.

2 to 3 ft. \$2.00 3 to 4 ft. \$3.00

Much charm of home grounds comes from the free use of flowering lilacs.

Lilacs for Fragrance and Beauty

The Lilac like the Rose is closely wrapped up in the esteem and affection of the American Gardener. It offers so much fragrance, color, profusion of bloom and thick rich green foliage.

Throughout our northern states the Lilac thrives splendidly and quickly grows into a magnificent shrub. Dependable and absolutely hardy.

ENJOY THE NEW FRENCH LILACS

French Hybrid Lilacs are modern improvements of the old-fashioned lilac. The flowers are gorgeous in coloring and much larger in size. The French Lilacs bloom when young and bear year after year a profusion of delightful blossoms.

Selected French Lilacs

Alphonse Lavalle. Flowers double, of medium size, color blue changing to a lavender violet. Deeper within than without. Clusters large, shapely and compact. A recommended variety.
3 to 4 ft. \$3.75

Belle de Nancy. Flowers large, double, developing into large compact clusters. Satiny pink in color. A splendid variety for both flower and foliage. Blooms in profusion.
3 to 4 ft. \$4.00

Catherine Havemeyer. Large, double flowers, pink.
3 to 4 ft. \$4.50

Charles X. A free flowering favorite. Flowers single of medium size, color reddish violet with a bluish tinge, compact clusters of medium size. One of the most free flowering of all French lilacs.
3 to 4 ft. \$2.75

Congo. Double dark red. Darkest of all.
3 to 4 ft. \$4.50

Charles Joly. Flowers double, large. A very dark purple red with silver reflex. Clusters open of medium size. A favorite variety, one of the best all-around double dark colored French lilacs.
3 to 4 ft. \$4.50

Esther Staley (Patent No. 768). Considered the best Pink Lilac to date. Single, soft pink.
3 to 4 ft. .. \$4.50

Michael Buchner. Flowers double, medium to large, color pinkish lilac differing from most varieties in the blending of its colors. Clusters long and narrow. A well known and one of the most popular varieties.
3 to 4 ft. \$4.00

Madam Lemoine. Flowers large, double, pure white. Clusters narrow, medium to large. One of the most satisfactory and popular of the double whites. A very vigorous and dependable bloomer.

2 to 3 ft. \$3.00

Miss Ellen Wilmott. Large flowers, double to very double. Creamy white in very large and long panicles. A strong grower and a free bloomer, generally rated as the best of the double white lilacs.

2 to 3 ft. \$3.50

Primrose (Patent No. 1108). The famous yellow lilac from Holland. Single.

18 to 24 in. \$6.50

SPECIAL

Large specimen French Lilacs—Pink, White, Blue, Purple.

Balled and burlapped—each \$15.00

Lilac, Japanese Tree (*Syringa japonica*). Small tree in habit of growth. Flowers come in loose clusters of creamy-white, in June, 15 ft.

4 to 5 ft. \$5.00

Persian Lilac (*Syringa persica*). 7 ft. Has small leaves and open graceful growth. Light purple flowers in May. Lacks the heavy coarse appearance of the common lilac.

2 to 3 ft. \$2.00 3 to 4 ft. \$3.00
4 to 5 ft. \$3.50

Purple Lilac (*Syringa vulgaris*). 10 ft. The old-fashioned, fragrant lilac. A hardy and dependable shrub that everyone admires.

2 to 3 ft. \$1.70 3 to 4 ft. \$2.25

Villosa Pink-Flowering Lilac. 10 ft. Unusually ornamental in rich dark foliage with pink-lilac flowers in June. A choice variety that flowers two weeks later than the other types.

2 to 3 ft. \$2.00 3 to 4 ft. \$2.75

We invite you to inspect our Nursery and Gardens, 1200 St. Clair Avenue

VINES

Flowering

Climbing

Trailing

BITTERSWEET (*Celastrus scandens*). A hardy rapid-growing native climber with glossy leaves and often with red berries in the fall.

Strong, 2 yr. plants \$1.25

BOSTON IVY (*Ampelopsis veitchii*). A small-leaved ivy that clings to walls closely. Needs protection in Minnesota. Excellent for low walls or piers.

Strong, 2 yr. plants \$1.50

DUTCHMAN'S PIPE (*Aristolochia siphon*). The heavy, heart-shaped, close-growing leaves make this vine unexcelled for shade and screens.

Strong, 2 yr. plants \$3.00

ENGLEMAN'S IVY (*Ampelopsis engelmannii*). Clings without support to brick, stone or plaster.

Strong, 2 yr. plants \$1.00

EUONYMUS ACUTA. Fine ground covering vine. Makes a smooth, shiny, dark, evergreen carpet.

Strong 2 yr. plants \$2.00

GRAPE, Hardy Beta. A rapid growing vine with handsome foliage for pergolas, arbors and fences. Desirable fruit of tart flavor for eating or preserving.

Strong, 2 yr. plants \$0.75

HONEYSUCKLE, Scarlet Trumpet (*Lonicera sempervirens*). A graceful twining vine for small lattices. The bright, scarlet flowers are very attractive.

Strong, 2 yr. plants \$1.50

MATRIMONY VINE (*Lycium chinensis*). A good trailer to cover slopes. Large red berries follow the bright purple flowers.

Strong, 2 yr. plants \$1.00

Complete description on pages noted.

Clematis—Queen of Flowering Vines

Pink Clematis (Mme. Veillard). Large flowering pink.

Strong, potted plants \$2.00

Purple Clematis (Jackmanii). The popular, large-flowering clematis with gorgeous flowers of velvety, violet-purple.

Strong, potted plants \$2.00

Red Clematis (Mme. Ed. Andre). Large, rosy-carmine flowers.

Strong, potted plants \$2.00

Sweet Clematis (Paniculata). A dependable flowering vine for fence or lattice. In late summer it is covered with great sheets of fragrant, white starry flowers.

Strong, growing plants \$1.50

White Clematis (Henryi). Large flowering white.

Strong, potted plants \$2.00

HEDGES

Add character and beauty to the garden. The uses are varied. A screen, a border, a wall of green.

BARBERRY, Thunbergi. Makes a neat low boundary. Small leaves.

15 to 18 in. \$50.00 per 100

18 to 24 in. 60.00 per 100

COTONEASTER. A close growth of deep green, glossy foliage.

2 to 3 ft. \$75.00 per 100

3 to 4 ft. 85.00 per 100

Current, Alpine—A hardy, dense-growing, low hedge.

15 to 18 in. \$85.00 per 100

DWARF NINEBARK. Makes a compact hedge 3 to 4 ft. high.

2 to 3 ft. 75.00 per 100

HONEYSUCKLE (Tatarian). A rapid growing tall hedge with pink flowers and red berries.

2 to 3 ft. \$70.00 per 100

3 to 4 ft. 85.00 per 100

HONEYSUCKLE, DWARF. A dwarf form of bush honeysuckle, very ornamental for a dwarf shrub.

15 to 18 in. \$70.00 per 100

LILAC. Common purple. Fast growing hedge 4 to 5 ft. high.

2 to 3 ft. \$80.00 per 100

3 to 4 ft. \$90.00 per 100

PLEASE NOTE—20 or more plants sold at the 100 rate.

Fruit Trees

The Hardy Apples

Price—Strong Trees, 5 to 6 feet, \$2.50 each.

No other fruit tree contributes more to your garden and orchard than the apple. As the trees grow older, their good features become more pronounced and your tree more valuable.

ANOKA. Large yellow, red-striped fruit of fine flavor in August. Bears early on young trees—often fruiting second year after planting.

BEACON. An early-ripening, highly colored, deep red apple of good size. Valued for both eating and cooking. Excellent keeper under ordinary conditions.

DUCHESS. Yellow with red stripes. Ripens early. A large size popular September fruit. Bears heavily. Free from blight. An old time favorite for pies and sauce.

FIRESIDE. An attractive, red long keeping apple with a high flavored, rich deliciousness that makes it just the fruit for a winter evening by the fire. Good bearer every year.

HARALSON. Deep red winter apple. Fine quality. A hardy and dependable Minnesota apple. Considered the best keeper. Makes strong growing trees bearing freely.

MINJON. A Minnesota form of Jonathan, good eating and cooking quality. Fruit brilliant red; bears profusely.

PRAIRIE SPY. Bright red over a yellow ground, medium size, late. Very productive and of excellent flavor.

WEALTHY. A fine quality red apple that fruits abundantly. A popular Minnesota variety. Good for market and home orchard. Season, September to January.

Hardy Crab Apples

Strong Trees, 5 to 6 feet.

DOLGO. Good flavored, highly ornamental bright red fruit. Makes excellent jelly. Ripe in September, \$3.00.

WHITNEY. Best of the sweet crabapples. Large, well flavored and early red fruit. Favorite for picking. \$2.50.

Apricots

Strong trees 4 to 5 ft. \$4.00 each.

New introductions from Minn. Fruit Breeding Farm.

MOON GOLD. Light orange.

SUNGOLD. Clear gold.

Cherries

Price—Strong Trees, \$3.00 each.

METEOR. A sour cherry. Luscious juicy red fruit.

OKA CHERRY. New hardy and productive hybrid from So. Dak. Low-headed tree producing tremendous crops of large red fruit. Color, rich purple-red inside and out. Flavor delicious for dessert or preserving.

Hardy Pears

PARKER. The hardiest of the pears and, after extensive trial, now recommended for Minnesota. Produces abundant, rather small but excellent quality fruit. 4 to 5 ft., \$3.00.

Hardy Plums

Price—Strong Trees, 5 to 6 feet, \$3.00 each.

LaCRESCENT. Our best quality yellow plum. Sweet and juicy.

PIPESTONE. Large yellow fruit with a red blush. Midseason. Excellent quality for dessert or preserving.

SUPERIOR. (New introduction.) Large, conic-shaped, deep red juicy fruit. Small pit. Nearly free-stone.

UNDERWOOD. Early ripening attractive red plum. A very popular hardy variety. Trees bear annually.

Small Fruits

Asparagus

PARADISE. An excellent green asparagus.

Price—Strong Roots, \$1.00 per dozen; \$6.00 per 100.

Currants

Price—Strong 2-year Plants, 60 cts.; \$4.50 per 10.

RED LAKE. New Minnesota currant. Erect bush. Large red fruit in heavy clusters. Excellent flavor.

Gooseberries

Price—Strong 2-year Plants, \$1.00; \$4.00 per 5.

PIXWELL. Very productive, large, light green when immature ripening to pink. It is the abundance of fruit which hangs away from the stems making it easy to pick, that gives it its name.

Grapes

Price—Strong Plants, 75 cts. each; \$3.00 per 5.

BETA. A medium size, black grape with sprightly flavor. Unusual hardiness and a heavy bearer.

CONCORD. The large, black grape. Always popular.

Raspberries

Price—25 cts. each; \$2.00 per 10.

CHIEF. The new Minnesota introduction. Early and heavy crops of firm, red berries. Very hardy.

LATHAM. Large red berries in abundance. Later than Chief. A hardy Minnesota variety with fruit of very attractive color.

Rhubarb or Pie Plant

CHIPMANS RED. (New). Highly colored red stalk, very succulent and tender. A splendid improved variety. \$1.00.

McDONALD. Sweet and tender. \$1.00.

Strawberries

SENATOR DUNLAP. June-bearing. Considered the most dependable, all-purpose strawberry. Large crops of big, deep red berries.

Price—Strong Plants, 75 cts. per dozen; \$5.00 per 100.

OGALALLA. Everbearing. Large, sweet berries, free stem, produced freely.

Price—\$1.25 per dozen; \$10.00 per 100.

A GIFT CERTIFICATE FROM PARK NURSERIES

To a friend for Christmas, Easter, Mother's Day and Birthdays. A living Tree, Evergreen, Shrub, Rose or Perennials will bring exciting and lasting joy.

Select your Fruits at PARK NURSERIES, 1200 St. Clair Ave.

Trees Are a Living Memorial

Your grounds are not complete without the use of trees. They give elevation against the sky and produce shadows on the lawn; frame beautiful vistas and shut out undesirable views. They give shade in the summer and admit light in the winter.

The Ash

American White Ash (*Fraxinus americana*). 60 ft. A native tree of straight, trim growth. Splendid for lawn or boulevard. A clean tree not troubled generally by insects and dependably hardy through the north.

6 to 8 ft.	\$ 3.25	8 to 10 ft.	\$ 5.50

ASH

BIRCH

Flowering Crabs

Bechtel's Double Flowering Crab. 15 ft. Covered in spring with rose-like double pink flowers. A splendid, symmetrical, small lawn tree, and very attractive when planted with tall shrub-berry.

3 to 4 ft.	\$3.00
--------------------	--------

Almey Crab. New. White-starred, red flowers followed by hundreds of red fruits large as silver dollars. Starts bearing when young, is one of the showiest, dependable Crabs. Plant as specimen or background.

6 to 7 ft.	\$5.00
--------------------	--------

Dolgo Crab. 15 ft. A splendid lawn tree of symmetrical shape that is beautiful in both flower and fruit. Fruit is an intense bright red and covers the tree.

5 to 6 ft.	\$3.00	6 to 8 ft.	\$4.50
--------------------	--------	--------------------	--------

Specimens B & B \$20.00

Hopa Crab. 15 ft. A new ornamental tree with abundant rose colored flowers that cover the branches in May. Strikingly ornamental red fruits that hang on until late fall.

5 to 6 ft.	\$3.50	6 to 7 ft.	\$4.50
--------------------	--------	--------------------	--------

Specimens B & B \$20.00

Radiant Crab. 15 ft. A new Minn. Fruit Breeding Farm variety. Flowers bright red, Spring foliage reddish bronze turning to green in summer. Small bright red fruit.

5 to 6 ft.	\$6.00
--------------------	--------

Specimens B & B \$15.00

Strathmore Crab. 15-20 ft. A new ornamental introduction. Upright in growth, narrow spread, rosy pink flowers, red fruits that hang late into fall.

5 to 6 ft.	\$4.50
--------------------	--------

6 to 8 ft.	6.00
--------------------	------

Van Guard. New for 1963. Upright in habit, bright red fruit. Developed by University of Minnesota. Rosy pink flowers.

4 to 5 ft.	\$5.00
--------------------	--------

BASSWOOD

Ornamental Trees

Bring lasting comfort and beauty to your home. Select trees for foliage effect, flowers, fruit, shade, bark effects, attractiveness, and interesting shadows and accents.

The Catalpa

Western Catalpa (*Catalpa speciosa*). 40 ft. Usually large heart-shaped leaves and fragrant white flowers. An interesting lawn tree.
6 to 8 ft. \$6.00 8 to 10 ft. \$9.00

The Coffee Tree

Kentucky Coffee Tree (*Gymnocladus dioica*). 40 ft. A tree gnarled and thickly branched, bark gray and rough. Develops a wide-spreading top. Foliage airy and graceful.
6 to 8 ft. \$9.00

The Elms

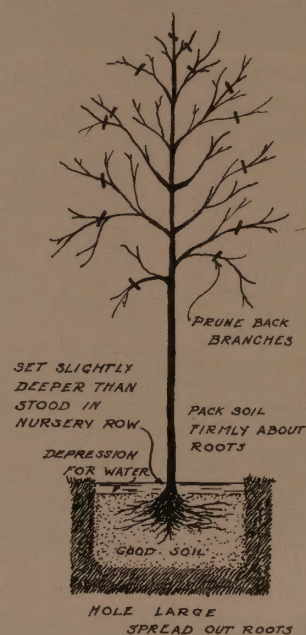

American Elm (*Ulmus americana*). 60 ft. A gracefully-arching and wide-spreading tree that is unquestionably the most popular tree in America for shade, street and lawn planting. It is tough grained and fast growing which places it at the head of the "permanent" class of ornamental trees. Very hardy.
6 to 8 ft. \$3.25 8 to 10 ft. \$5.50
1½ to 2 in. dia., 7 yr. 9.00 2 to 2½ in. dia., 9 yr. 12.00
2½ to 3 in. diam., 11 yr. ... \$16.00
Larger specimen Elms priced on request.

The Hackberry

Hackberry (*Celtis occidentalis*). 50 ft. A hardy, native long-lived tree with rough bark. The foliage somewhat resembles the Elm. Wide spreading tops giving good shade.
6 to 8 ft. \$4.00 8 to 10 ft. \$7.00
1¼ to 1½ in. diam. \$9.00

The Horsechestnut

Horsechestnut (Buckeye) (*Aesculus hippocastanum*). 40 ft. Five-fingered leaves. Covered in May with white flowers that stand up like candles. A most unusual and desirable lawn tree.
5 to 6 ft. \$8.50

Linden—Basswood

American Linden (Basswood) (*Tilia americana*). 70 ft. A stately tree with broad, heart-shaped leaves; fragrant white flowers.
8 to 10 ft. \$ 7.50
1¼ to 1½ in. diam. 12.00
1½ to 2 in. diam. 15.00
1¾ to 2 in. diam. 18.00

Redmond Linden. Has uniform shape, conical top. Fast growing.
8 to 10 ft. \$11.50 1½ to 2 in. \$17.00
2½ to 3 in. B & B .. \$35.00

Small Leaf Linden (*Tilia cordata*). A dense compact tree.
8 to 10 ft. \$11.50 1½ to 1¾ in. \$15.00

The Locust

Skyline (Pat. No. 1619) Distinctive Pyramidal form. Strong sturdy trunk, shapely crown. Leaves are dark green of a heavy, leathery texture.
8 to 10 ft. \$13.00
1½ to 1¾ in. diam. 22.00
2 to 2½ in. diam. 35.00

Sunburst (Patent No. 1313) Bright golden foliage on 8 to 10 inches of branch tips. Appears to be in bloom all summer. Broadly pyramidal head, and excellent branching habit.
6 to 8 ft. \$12.00
1¼ to 1½ in. diam. 22.00

The Maples—for fall color

Norway Maple (*Acer platanoides*). 50 ft. A handsome lawn and shade tree forming a perfect rounded head of broad, dark green leaves.

6 to 8 ft.	\$6.50	8 to 10 ft.	\$ 9.50
1¼ to 1½ in. diam., 8 yr.			12.00
1½ to 2 in. diam., 9 yr.			19.00
2 to 2½ in. diam. 10 yr.			24.00
2 to 2½ in. B & B			35.00
2½ to 3 in. B & B			45.00
3 to 3½ in. B & B			75.00
3½ to 4 in. B & B			115.00

Purple Leaf Maple, (*Acer platanoides* Schwedler). 40 ft. Leaves are bright reddish-purple in spring toning to a deep purplish-green later. Highly prized for lawn planting.

6 to 8 ft.	\$ 8.00	8 to 10 ft.	\$10.00
1¼ to 1½ in. diam.			13.00
1½ to 2 in. diam.			22.00
2 to 2½ in. diam.			30.00
2 to 2½ in. B & B			45.00
2½ to 3 in. B & B			65.00
3 to 3½ in. B & B			95.00
3½ to 4 in. B & B			140.00

Silver Maple (*Acer dasycarpum*). 60 ft. The leaves are light green with silvery green beneath. A native rapid-growing tree that succeeds anywhere.

6 to 8 ft.	\$3.25	8 to 10 ft.	\$ 5.50
1½ to 2 in. diam., 5 yr.			9.00
2 to 2½ in. diam., 7 yr.			13.00

Sugar Maple (Hard Maple) (*Acer saccharum*). 70 ft. A symmetrical hardy native tree of great beauty. Forms a dense oval head of dark green leaves. Brilliant fall coloration.

6 to 8 ft.	\$7.50	8 to 10 ft.	\$ 8.00
1¼ to 1½ in. diam., 10 yr.			13.00
1½ to 2 in. diam., 11 yr.			20.00
2 to 2½ in. diam., 12 yr.			30.00

RED or SCARLET MAPLE (*Acer rubrum*). 60 ft. Fast growing, more upright than most hard Maples. Foliage green, turning to brilliant red in fall.

1¼ to 1½ in. diam.			\$12.00
1¾ to 2 in. diam.			19.00
2 to 2½ in. diam.			24.00

NORWAY MAPLE "Crimson King" *Acer Plantanoides Schwedleri Nigra*. (Plant Pat. No. 735.) A new Red Leaf Norway Maple from Europe, retaining its bright coloring throughout the summer. A magnificent tree giving color to the garden all summer.

7 to 8 ft.	Each	\$14.00
8 to 10 ft.	Each	18.00
10 to 12 ft.	Each	22.00

The Mountain Ash

Mountain Ash (*Sorbus aucuparia*). 30 ft. White flowers in May followed by bright orange-red berries, which hang on for months. Very ornamental. Used as a specimen on the lawn or as an accent in the border.

6 to 8 ft.	\$5.00	8 to 10 ft.	\$7.00
Specimens 1½ to 2 in. B & B \$15.00			

Mountain Ash Clumps

Mountain Ash Clumps—3 or more stems, same characteristics of Mountain Ash.

6 to 8 ft. B. & B. . .	\$12.00	8 to 10 ft. B. & B. . .	\$15.00
------------------------	---------	-------------------------	---------

The Poplars

Bolleana Poplar (*Populus bolleana*). 40 ft. Upright columnar growth with smooth, gray-green bark. Glossy, green leaves with downy white undersides. Makes a strong vertical accent.

6 to 8 ft.	\$3.00	8 to 10 ft.	\$3.85
10 to 12 ft.			\$5.00

Lombardy Poplar (*Populus fastigiata*). 40 ft. A tall picturesque, spike-like tree. Erect and pyramidal in form. Planted for landscape effect, as an accent or for screening purposes. Grows quickly. Seldom spreads over 8 ft. wide and can be used to advantage in places of restricted size between buildings, in small lawns and along narrow avenues.

6 to 8 ft.	\$1.75	8 to 10 ft.	\$1.75
------------	--------	-------------	--------

The Willows

Laurel-Leaf Willow. 20 ft. Shiny dark green foliage resembling the laurel. The best willow for shade and screen.

6 to 8 ft.	\$3.50
------------	--------

Niobe Weeping Willow. 30 ft. Golden bark and graceful weeping branches that sweep the ground. A much-admired lawn tree.

6 to 8 ft.	\$3.50	8 to 10 ft.	\$5.00
------------	--------	-------------	--------

Wisconsin Weeping Willow. 30 ft. The hardiest of the weeping willows. Very desirable for a quick growing, ornamental lawn specimen. Dark colored bark.

6 to 8 ft.	\$3.50	8 to 10 ft.	\$5.00
------------	--------	-------------	--------

For Year Round Beauty Plant Evergreens

The Arborvitae—Thuja

American Arborvitae (*Thuja occidentalis*). 20 ft. A native evergreen with soft, lacy, fan-shaped foliage. The tree is bushy at the bottom and tapers toward the top. Stands trimming well.

2 to 3 ft., 8 yr.	\$6.50	3 to 4 ft., 10 yr.	\$9.00
4 to 5 ft., 11 yr.	13.00	5 to 6 ft., 12 yr.	18.00
6 to 7 ft., 13 yr.	\$24.00		

Pyramidal Arborvitae (*Thuja occidentalis pyramidalis*). 18 ft. An attractive, solid pyramid of soft green that retains its outline without shearing. Useful in foundation plantings.

2½ to 3 ft., 10 yr. ..	\$7.25	3 to 4 ft., 12 yr. ...	\$10.00
4 to 5 ft., 13 yr. .	15.00	5 to 6 ft., 14 yr.	20.00
6 to 7 ft., 16 yr.	\$25.00		

Siberian Arborvitae (*Thuja wareana siberica*). 8 ft. A symmetrical, compact evergreen of conical outline with broad base. Rich green leaves. Very useful in foundation plantings.

18 to 24 in., 10 yr. .	\$9.00	2 to 2½ ft., 11 yr. .	\$12.00
2½ to 3 ft., 13 yr. .	14.00	3 to 3½ ft., 15 yr. .	17.00

Sherman Arborvitae (*Thuja Occi. Shermani*). 15 ft. An upright tree with dense, compact, dark green foliage. New introduction. Used in groups and house plantings.

2 to 3 ft.	\$ 8.00	3 to 4 ft.	\$14.00
4 to 5 ft.	16.00	5 to 6 ft.	20.00

They are a stately and striking planting. As individual or mass planting they bring enchanting pleasure.

The Cedars and Junipers

Dundee Juniper (*Juniper virginiana Hilli*). 15 ft. A new, and the most interesting Pyramidal type Juniper produced. Spring color bluish green changing to Plum color in fall. Growth thick and compact. Hardy and drought resistant.

2 to 3 ft., 8 yr. . .	\$11.00	3 to 4 ft., 10 yr. . .	\$16.00
4 to 5 ft., 11 yr. . .	25.00	5 to 6 ft., 12 yr. . .	29.00
6 to 7 ft.	\$39.00		

Silver Cedar (*Juniperus scopulorum*, grafted varieties). 15 ft. A new, pyramidal type Cedar of striking beauty. Bright silvery-green foliage that holds its color all year through. The growth is compact and symmetrical making it a superb, ornamental evergreen. Very hardy and drought resistant.

2 to 3 ft., 8 yr. ...	\$11.00	3 to 4 ft., 10 yr. . .	\$16.00
4 to 5 ft., 11 yr. .	25.00	5 to 6 ft., 12 yr. . .	29.00
6 to 7 ft., 13 yr.	\$39.00		

Pfitzer's Juniper (*Juniperus pfitzeriana*). 6 ft. A graceful, bushy evergreen suited to foreground plantings and particularly adapted to house foundation Evergreen groups. Foliage is an attractive greenish-hue. The branches are spreading and gracefully drooping. Stands the city's dust and soot well.

15 to 18 in. 7 yr. .	\$ 7.50	18 to 24 in., 9 yr. . .	\$10.00
24 to 30 in., 10 yr. .	10.00	30 to 36 in., 12 yr. .	14.00
3 to 4 ft., 13 yr.	\$16.50		

Blue Juniper. An upright form of Pfitzer Juniper with silvery blue foliage.

18 to 24 in.	\$10.00

Douglas Fir (*Pseudotsuga douglasii*). 40 ft. The large bluish-green needles are soft and fragrant. A dependable and handsome large-growing tree of conical shape. Splendid for lawn specimen or in the background of an evergreen group.

3 to 4 ft., 11 yr. . . \$14.00 4 to 5 ft., 13 yr. . . \$18.00
5 to 6 ft., 14 yr. . . . 25.00 6 to 7 ft., 16 yr. . . . 30.00

The Pines

Austrian Pine (*Pinus nigra*). 50 ft. A decorative, vigorous and tall-growing tree. Long, slender, dark-green needles. Its rapid growth and highly ornamental foliage make it very desirable wherever a tall evergreen on the lawn is wanted.

2 to 3 ft., 8 yr. . . \$11.00 3 to 4 ft., 9 yr. . . \$17.00
4 to 5 ft., 10 yr. . . . 25.00 5 to 6 ft., 12 yr. . . . 34.00

Dwarf Mugho Pine (*Pinus mughus*). 3 ft. Very popular compact and dwarf-growing evergreen. Unexcelled for planting about the foundation lines or in front of taller evergreens. In the spring the new growth resembles miniature candles at the end of each branch.

15 to 18 in. spread, 8 yr. . . \$ 9.00
18 to 24 in. spread, 9 yr. . . \$11.00
24 to 30 in. spread, 11 yr. . . \$14.00

Scotch Pine (*Pinus sylvestris*). 60 ft. A hardy, tall pine of picturesque growth. Very suitable for background and wind-break plantings. The needles are dark green, shorter and stiffer than the Austrian Pine. Stands dry and exposed situations.

3 to 4 ft., 9 yr. . . \$18.00 4 to 5 ft., 11 yr. . . . \$25.00

White Pine (*Pinus strobus*). 50 ft. A decorative tree with stout spreading branches forming a broad pyramidal head. Foliage dark green and lustrous. Hardy and vigorous.

2 to 3 ft., 8 yr. . . \$11.00 3 to 4 ft., 10 yr. . . . \$18.00
4 to 5 ft., 12 yr. . . 25.00 5 to 6 ft., 14 yr. . . . 34.00

Beauty

The Spruces—Picea

Black Hills Spruce (*Picea canadensis albertiana*). 30 ft. A native of the Black Hills and the hardiest of all spruces. The growth is a rounded, compact pyramid with branches low to the ground. Foliage is a bright fresh green. Stands dry soils and open exposures and is always an ornamental specimen.

24 to 30 in., 11 yr. . . \$ 8.00	30 to 36 in., 12 yr. . . \$11.00
3 to 4 ft., 13 yr. . . 16.00	4 to 5 ft., 15 yr. . . 20.00
5 to 6 ft., 17 yr. . . 25.00	6 to 7 ft., 20 yr. . . 30.00

Blue Spruce, "Colorado" (*Picea pungens glauca*). 35 ft. The most admired of all evergreens because of its luxuriant, rich, silvery-blue needles. Outstanding as a lawn specimen. Our Blue Spruce trees have an unusually bright color and are full branched and solid specimens.

2 to 3 ft., 12 yr. . . \$16.00	3 to 4 ft., 15 yr. . . \$22.00
4 to 5 ft., 18 yr. . . 32.00	5 to 6 ft., 19 yr. . . 38.00
6 to 7 ft., 20 yr. . . \$46.00	

Colorado Spruce (*Picea pungens*). 35 ft. An attractive, hardy spruce of even full-branched growth. Similar to the Blue Spruce but with less blue color. Grows easily in most any situation and makes a shapely, sturdy tree.

24 to 30 in., 11 yr. . . \$ 8.00	30 to 36 in. 12 yr. . . \$10.00
3 to 4 ft. 16.00	4 to 5 ft. 20.00
5 to 6 ft. 25.00	6 to 7 ft. 30.00

At the Park Nurseries the Evergreens are given particular attention to develop their full beauty and symmetrical growth. They are dug with solid root balls so that they can be moved without loss of vitality. Full planting directions are always given to assure you the best results. **COME TO THE NURSERY, SEE AND SELECT YOUR EVERGREENS.**

The Yews—Taxus

Interest in Yew trees is fast increasing. No family of Evergreens has such popularity in recent years at the Yews. This interest is easily accounted for. The answer is the outstanding merit of the trees in richness of color, variation of form, thriftiness of growth and adaptability to various soils and planting locations.

Yew, Upright (*Taxus capitata*). 5 ft. A very ornamental, medium-size Evergreen with clean, waxy, dark-green leaves. Grows close, upright and compact. The fruit is a red berry.

24 to 30 in.	\$18.00
2½ to 3 ft., 10 yr.	23.00
3 to 3½ ft., 13 yr.	28.00
3½ to 4 ft., 13 yr.	35.00
4 to 4½ ft., 17 yr.	45.00

Yew, Dwarf Japanese (*Taxus cuspidata nana*). 2½ ft. A dwarf and very compact Yew with rich, dark green foliage.

15 to 18 in., 11 yr. . . \$15.00	18 to 24 in., 12 yr. . . \$18.00
----------------------------------	----------------------------------

Yew, Spreading (*Taxus cuspidata intermedia*). A dwarf spread-Yew with bushy growth.

15 to 18 in.	\$14.00
18 to 24 in., 10 yr. . . \$15.00	24 to 30 in., 12 yr. . . \$18.00

HOW TO PLANT EVERGREENS

- (1) Dig a hole a foot larger and deeper than ball of earth. Provide good, loamy top soil to fill around ball.
- (2) Set tree in hole trifle lower than it stood in Nursery.
- (3) Roll back burlap.
- (4) Fill good top soil up around ball. Pack firmly by filling hole with water.
- (5) Fill hole with soil. Pack firmly and leave top of ground covered with loose earth, or a humus mulch. Peat moss or other humus generously incorporated through the fill back soil will encourage root growth.

Plant Ever-Blooming Hybrid Tea Roses

ILLUSTRATED and described are the choicest and most popular varieties of Hybrid Tea Roses. These varieties are northern grown, reliably hardy, and will furnish a generous supply of flowers throughout the growing season. No garden is complete without them, in fact, they are indispensable.

Scarlet and Crimson Roses

CHARLOTTE ARMSTRONG. Brilliant blood-red on long stems opening a spectrum-red.

CRIMSON GLORY. Large, full, deep velvety crimson. Fragrant. Continuously in bloom.

ETOILE DE HOLLANDE. Large, bright crimson red. Free bloomer. The most popular red garden rose. Well-formed flowers.

White Monthly Roses

KAISERIN AUGUSTE VIKTORIA. Creamy buds developing into bright snow-white blooms. Fragrant. The perfect white rose.

FRAU KARL DRUSCHKI. This is the ideal hardy white rose; pure in color, perfect in form, strong grower, Hybrid Perpetual.

Yellow and Copper Shades

GOLDEN DAWN. Very double, fragrant lemon-yellow blossoms. Remarkably fine foliage. Vigorous and free-flowering.

PEACE (Plant Pat. 591). All-American Rose selection for 1946. Distinguished by the changing colors through which it passes — yellow, gold, cream, ivory, white and pink.

PRESIDENT HOOVER. Long pointed buds opening to various shades of orange. Spice fragrance.

SISTER THERESE. Bud long pointed; flower very large, semi-double, cupped. Golden yellow, edges spotted madder carmine. Good foliage.

TALISMAN. Fragrant flowers of glowing golden-yellow, tinted copper, red and orange. The most vividly colored rose.

Pink and Rose Colors

COUNTESS VANDAL. Lovely, coppery pink and gold, with long, pointed buds. The outstanding favorite in two-tone pinks.

PICTURE. Velvety clear rose-pink with undertones of salmon. Very double.

WHEN PHONING YOUR ORDER CALL — MI 8-5557

THE REASONS WHY PARK NURSERIES PREPARED, POTTED ROSES ARE BETTER

These **Specially Prepared Roses** are all carefully selected 2 and 3 year old field plants. They have been started early in 6 inch pots and are in healthy, active growth when you receive them. Plant them right into your garden and they will produce results quickly. **With these started potted rose plants, you are certain of beautiful roses to enjoy this season.**

The Floribunda Roses

The Floribunda Roses are small size bushes, very popular because of their dwarf size and heavy flowering. The roses are borne in full clusters and are in bloom continuously throughout the summer.

HOME-YARD PEONY COLLECTION

A selected assortment of six choice, large-flowering, double Peonies. 6 varieties, all different—2 white, 2 pink, 2 red.

SPECIAL PRICE—6 Choice Plants \$6.00

SPECIAL—Home Yard Phlox Collection

Ten field-grown roots, 2 each of 5 popular varieties—light pink; white; deep pink; red and lavender.

SPECIAL GROUP PRICE—10 Plants \$6.00

Park Nurseries "High Test" Lawn Grass Seed

Good lawns can only follow the use of clean, pure seed of high germination test. Park Nurseries High Test Seed is dependably good—selected, re-cleaned seed that is the best in quality that we can secure.

AMOUNT OF SEED TO SOW — Allow one pound of seed to every 200 square feet of new lawn area. For re-seeding on old lawns one pound of seed to 400 square feet will be sufficient.

"Velvet Sod" Seed

"Velvet Sod" Lawn Seed is an unusually high grade and careful mixture of permanent fine-bladed, rich green grasses. Specially prepared to meet the climatic conditions of our northern states. Its high weight of 24 lbs. per bushel indicates its purity and freshness from chaff and adulterations. We use this seed on all our own landscape work and recommend it as the best seed obtainable.

1 lb. \$1.50; 5 lbs. \$7.25; 10 lbs. \$14.25 20 lbs. \$28.00

Shady-Side Seed

Where ordinary grasses will not grow we suggest sowing this special "shady-side" mixture which contains varieties naturally tolerant of shade.

1 lb. \$1.50; 5 lbs. \$7.25; 10 lbs. \$14.25 20 lbs. \$28.00

Red Top Grass

Red Top is a fine-leaved grass that germinates and develops very quickly. It is of particular value in getting a new sod established. For a permanent lawn it should not be sown alone.

1 lb. \$1.00 5 lbs. \$4.75

Creeping Red Fescue

A perennial grass with fine blade and spreading root system. Withstands rough use, drought resistant and grows on light or sandy soils. A good grass seed to add to shaded areas.

1 lb. \$1.10; 5 lbs. \$5.00

Seaside Creeping Bent Grass

A true, unmixed creeping bent seed. It produces a thick, low and close-growing turf for lawns and golf greens. (Creeping Bent sod requires often and close cutting and special attention in fertilizing.)

1 lb. \$4.50; 5 lbs. \$22.25

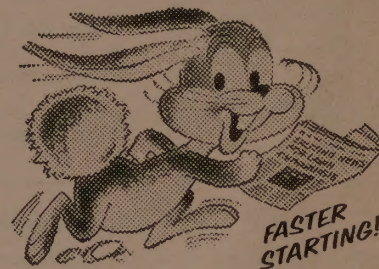

Send for "HOW TO MAKE A LAWN." This booklet tells you how to make and care for a lawn. It gives practical and helpful information. Mailed on request.

"Park" Kentucky Blue Grass

A new strain of Kentucky Blue Grass with the outstanding feature of germinating in five days.

1 lb. \$1.20

3 lbs. \$3.50

Minnesota Grown Certified
PARK Kentucky Bluegrass

Kentucky Blue Grass

A beautiful grass that should be the main constituent of every good lawn here in the north. It is sometimes used alone but as it develops slowly, it becomes better established if sown in a mixture. Our seed is a very choice grade of carefully re-cleaned extra heavy seed with an average weight of 24 lbs. pr bushel.

1 lb. \$1.60; 5 lbs. \$7.50

Merion Blue Grass

Produces thicker turf and stays greener all season. 1 lb. covers 750 sq. ft. Available in limited quantity only.

1 lb. \$2.00

White Clover Seed

The best imported white Dutch clover with small leaves and dense growth. Very often sown with other grasses, particularly in a new lawn, where it helps cover the ground, thicken the sod and so tends to crowd out weeds.

½ lb. \$1.00; 1 lb. \$1.75; 5 lbs. \$8.00

SODDING

SEEDING

FERTILIZING

PARK NURSERIES has the know-how and equipment to carry out any of your lawn work. Quality field or cultured sod—High Test lawn seed—Well balanced fertilizers.

Fertilizers

FOR LAWN AND
GARDEN

Feed Your Lawn Spring and Fall

There are three chemical elements of plant food commonly used in fertilizers. They are Nitrogen, Phosphate and Potash. A balanced fertilizer is one which contains all three, commonly expressed in a formula of three numbers. The first indicates the proportion of Nitrogen, the second Phosphate and the third Potash.

A COMPLETE FERTILIZER

Loma Turf Food—10-6-4

A high grade organic plant food.

For the Lawn. Apply 40 lbs. to each 1,000 sq. ft. of area. Scatter evenly and wet down.

For the Garden. Apply along the rows or around plants according to directions on package.

50 lb. bags \$2.90; 80 lb. bags \$5.25

DRIED CATTLE MANURE—DRICONURE

A time tested all organic fertilizer made entirely of animal manures. Dehydrated, finely ground for more convenient handling. Good for flowers, shrubs and lawn. One 50 lb. bag will fertilize 500 square feet of area. **50 lb. bag \$3.25**

VELVET SOD FERTILIZER—10-6-4

High organic lawn fertilizer. A long lasting, slow release, premium lawn food, high in natural organics. **50 lb. bags \$5.00**

How to Fertilize Your Trees

Extra plant food keeps trees in healthy, vigorous growth and overcomes drouth.

AMOUNT TO APPLY

Use 15 lbs. of fertilizer (LOMA preferred) for each inch of tree trunk diameter. (A 5 inch tree needs 75 lbs. of plant food.)

Apply the fertilizer as shown in the diagram and water thoroughly.

MAKE HOLES UNDER OUTER BRANCHES OF TREE FILL HALF FULL WITH FERTILIZER

SPACE HOLES ABOUT 30 INCHES APART

THE PERFECT PLANT FOOD—Loma 5-10-5

A new scientific and efficient fertilizer for gardens, trees and shrubs. Allow 40 lbs. per 1,000 sq. ft. Full directions on the package.

25 lbs. \$2.00; 50 lbs. \$3.00; 80 lbs. \$4.70

BONE MEAL

Our Bone Meal is ground fine, slightly steamed and acts quickly. Use freely when top dressing. 20 lbs. to 1,000 sq. ft. is recommended. Apply to flower borders one lb. to 15 sq. ft. and cultivate in. Use generously around trees and shrubs.

25 lbs. \$3.20; 50 lbs. \$5.35; 100 lbs. \$9.00

MILORGANITE—FOR THE LAWN

Activated sludge fertilizer scientifically prepared, a natural plant food rich in organic nitrogen. A non-burning, long-lasting lawn fertilizer. Apply in early spring and fall. Use 40 lbs. to 1,000 sq. ft. **50 lb. bags \$3.00**

PEAT

Premier Peat—Used in aerating garden and shrub bed. Also mixed with soil in planting trees, shrubs, and evergreens.

1 bale \$6.50

Colby Peat—Used for top dressing, seeding, and aerating lawn. Five bushel bale covers approximately 850 sq. ft.

1 bale (5-bu.) \$4.50

GARDEN MULCH

Koko Mulch—Unground cocoa bean shell—used to top dress garden and shrub beds for moisture and weed control. Appearance, dark brown in color. Twenty-five pounds covers 50 sq. ft.

25 lbs. \$2.20

RA-PID-GRO—23-21-17

Concentrated Liquid Plant Food

Use when planting Evergreens, Tree Shrubs and Perennials; also in regular feeding of these materials. Use 1 level tablespoonful per gallon of water or 1 lb. per 30 gals.

1 lb. \$1.30; 5 lbs. \$4.75; 10 lbs. \$9.00

G & O ROSE FOOD

G & O Rose Food alone supplies all the essential food elements necessary to produce roses at their best. Contains both inorganic and organic ingredients, including valuable trace elements.

5 lb. bag \$1.00 10 lb. bag \$1.70

PAX CRAB GRASS KILLER

To stop crabgrass, apply Pax in very early spring or fall, to kill dormant crabgrass seed. If undisturbed after application of Pax, it will prevent crabgrass seed germination for a year or longer. Pax also fertilizes the lawn with enough nitrogen plant food for one normal lawn feeding. Apply 2½ to 3½ lbs., per 100 sq. ft.

20 lbs., \$5.95; 40 lbs., \$9.98

WEEDONE

Weedone, the original 2-4 D weedkiller. Kills dandelions, plantain, chickweed, and most other lawn weeds. Also kills poison ivy, poison oak, bind weed and other noxious weeds that plague the gardener. Formula: 6 oz. Weedone to 5 gallons of water. This solution will cover 1,000 sq. ft. applied under pressure. Weedone does not kill Crab Grass.

8 fluid ounce bottle (for 1,000 sq. ft.)	\$1.00
1 quart bottle (for 5,000 sq. ft.)	2.75
1 gallon can (for 20,000 sq. ft.)	6.75

Tri-Ogen 3 in 1

8 oz. \$1.80; 1 pt. \$3.00; 1 qt. \$5.00

Tri-Ogen Rose Spray Bomb

12 oz. \$1.50

Tri-Ogen 3 Way Rose Dust

12 oz. Gun	\$1.25
1 lb. Dust	1.50
3 lbs. Dust	4.00

DUSTER. Hudson Admiral. Has Swivel nozzle for easy dusting of underside of foliage. \$2.95.

Chopa Sprayer

NEW PUMPLESS SPRAYER

Operates off of water pressure, city or private system. Sprays from a fine mist to a full stream of liquid. Simply connect sprayer to hose to get pressure. No pumping. Set sprayer down; 15 ft. of hose allows you to work in a 30 ft. area. Tank capacity—3 gallons. \$20.00 each

KEN SPRAYALL

Tree and garden sprayer. Adjustable nozzle sprays from fine mist to full stream. Can reach 30 ft. high. Double action. Continuous spray.

Weighted hose placed into bucket containing spray solution which is screened as it passes into the sprayer. Easy to operate—simple to clear. \$6.95

LITTLE GIANT

Same style as above, smaller size to fit any Mason jar; designed specifically for home use.

Complete \$4.95

METHODS OF CONTROLLING INSECTS

Chewing Insects. Arsenate of Lead kills all eating and chewing insects. Example, grubs. 1 to 2 tablespoons of arsenate of lead to 1 gallon of water. 1 lb. \$1.00; 4 lb. bags, \$2.50.

Sucking Insects. Malathion 50 Spray. 2½ pints per 100 gals. water. 4 oz. \$1.25; Pint \$3.00.

Dormant Spray. Captan 50% for scale, scabs and soot blotch. 8 oz. \$1.40; 1 lb. \$2.25

Fungus Diseases. Bordeaux prevents blight, rot, mildew and fungus. 1 to 2 tablespoons to a gallon of water. 1 lb., \$1.10.

Black Spot and Mildew. Fermate for roses and other plants. 9 oz. \$1.25

Grub and Earth Worms. Chlordane Dust 6%. For dusting in gardens and on lawns to control ants, cut worms, snails, sod worms, etc. 1 lb. containers 65 cts.; 4 lb. bags \$1.65.

Pine Needle Scale. Malathion 50 Spray. 2½ pints per 100 gals. water. Spray last part of May—first of June. 4 oz. \$1.25; Pint \$3.00

Red Spider. Kelthane W. A. wettable powder. 1 lb. \$2.25

Rust. Parzate C, 8 tsp. to one gallon water. 3 lbs. \$3.00

ORDER SHEET

THE PARK NURSERIES

1200 St. Clair Ave.

St. Paul 5, Minn.

Date Ordered.

WHEN TO ORDER. Try to make up your order and send it in soon after this catalog reaches you. Early orders enable us to reserve for you the plants wanted and to give you the first selection. Your order will be shipped just when the weather is most favorable and at just the right time for planting. Order now.

How to Order. Send in your orders by whatever means you prefer and we assure you of prompt, careful attention. For your convenience our order blank is placed in this catalog, ready for your use.

Give Shipping Instructions. Tell us how you want shipments made; whether by Freight, Parcel Post (suitable only for small packages) or Express, and indicate any special routing. We recommend Express as most advantageous and desirable excepting on heavy, bulky shipments. When not instructed we will use our best judgment.

No Packing Charge. Catalog prices are all based on stock F.O.B. St. Paul and no charge is made for packing. Twin-City deliveries are made to any St. Paul or Minneapolis address.

**50 cents delivery charge
on orders under \$5.00**

Terms. Cash with order is expected and money should be sent by check, post office order or bank draft. If credit is to be arranged please advise us in ample time and furnish the usual business references. All accounts are due by the 10th of the month following date of purchase.

**Terms of 30-60-90 days
can be arranged.**

PARK NURSERIES—Members of the State Nurserymen's Association and Twin City Nurserymen's Association.

All Trees, Evergreens, Shrubs, Perennials and Seeds are regularly inspected by the State Department of Agriculture, for which a certificate has been issued for 1963.

FULL PLANTING INSTRUCTIONS are sent with the acknowledgment of every order. Consult us freely for any further information you may need. We want the opportunity to help you and no expense will be spared to make every order we send you give entire satisfaction.

Our Liberal Plant Replacement

First, you are assured quality, living plants, properly processed and packed. If you are not satisfied with our selected materials, return at once. We will resupply at no additional cost.

Second, We agree to re-supply any plants that may fail to become established the first season after planting at no additional cost. Requests for any such replacements must reach us before October 1st of that season and the account must be paid in full when due.
